EDUCATION

Bachelor Of Engineering

SSIT,Gandhinagar (2020-2024)
CPI : 7.73 | CGPA : 7.55

HSC Board Science

Patel Vidyalaya , Surendranagar
Score : 51.50 (2019-2020)

SSC Board

Dayamayi Mata School ,
Surendranagar
Score : 70.75 (2017-2018)

SKILLS

Python

Pandas

NumPy

Matplotlib

C#

SQL Server

INTERNSHIP

SAP

PYTHON DATA SCENES (JUN 2022 - DEC 2022)

As a budding data scientist, proficiency in Python is a key skill, especially with libraries like Pandas for data manipulation, NumPy for numerical computing, and Matplotlib for visualization. These tools form the backbone of data analysis and visualization, enabling you to clean, analyze, and present data in a meaningful way.

CREART SOLUTION PVT. LTD.

FIFTEEN DAY INTERNSHIP (JUL 2023 - AUG 2023)

Completing an internship in Web Development using Django is a significant achievement. This experience has likely provided a solid foundation in building dynamic websites and applications using the Django framework. With the basics now mastered, the next steps could involve deepening your understanding of more advanced Django features or branching out to learn other web technologies to enhance your skill set.

PROMPT EQUIPMENTS PVT. LTD.

FINAL YEAR INTERNSHIP (JAN 2024 - MAR 2024)

Creating an online movie ticket booking portal is a significant project that involves various technologies and skills. Utilizing C# and .NET MVC framework provides a robust platform for server-side logic, while interacting with SQL Server databases ensures efficient data management and retrieval. Such a portal can offer users a seamless experience in selecting movies, choosing seats, and making payments, all from the comfort of their homes or on the go.

CERTIFICATES

- COURSE ON COMPUTER CONCEPT (CCC)
- SYSTEMS APPLICATIONS AND PRODUCTS IN DATA PROCESSING (SAP)
